

We enter these next months with excitement and joy! We are just weeks away from completing our Fresh Look project and by the end of November we should be wrapping up our finishing touches. We are humbled by God's goodness and blessings to our church.

We are calling this month "No Excuses November" as we are making an effort to bring our church family together for every service! Make church the priority and don't let anything interfere. So many things can rob us of God's blessing, often without us even realizing it. Let's give God His day and see what He does with it in our lives. It is a tremendous blessing to be part of a church where God is pouring out His spirit and where great things are happening every week!

Much planning and preparation is being done for these next months as we celebrate the Christmas season, close out 2019, and begin BBC's 25th Anniversary year. Every month in 2020 we will highlight the church's anniversary with a special event. We will be sharing that schedule at our Family Gathering.

As you read thru this newsletter, you will see the many opportunities for you to invite family and friends to learn of the real reason of our hope. Misty, Preston, Parker, Pace, and I wish you and your family a wonderful Christmas! We love you all!

Your Friend In Christ,
Pastor Josh
